GENEVA FLORAL CO.

P. O. Box 173, GENEVA, N. Y.

FARM, GREENHOUSES AND OFFICE

Border City

E. North St., just outside Geneva

Dear Customer:—

We want to sincerely thank you for your valued orders in the past and we hope to make this a RECORD YEAR. We have the stock to do it and if we can get help to do the work there is no question as to the results.

We ask especially for "early orders." This gives us a chance to plan for your order and can usually give you much better satisfaction.

We just received a letter from a customer who gave us a moderately large order which was delivered in late June and middle of July he says "The Chrysanthemum R. C. I had from you were a great success."

It is pleasing to receive letters like this—and we get many of them—and it shows with our QUALITY STOCK if the grower uses the care necessary he will sure have a fine crop.

As you will notice we do not list any Hardies. For various reasons we could not make it a success to grow them so discontinued altogether.

We thank you for a share of your business in the past and trust our dealings this season may be mutually profitable.

Yours very truly,

GENEVA FLORAL CO.

DELIVERY: FREE DELIVERY on all orders to the 1st, 2nd, 3rd and 4th zones. All other shipments will go by express collect. It has been our experience that our shipments of perishable plants to distant customers are given more careful attention and are more promptly delivered by the Express company.

GUARANTEE: We guarantee to pack all plants carefully which should reach you in good condition. All packages should be opened immediately upon receipt of same.

CLAIMS FOR DAMAGE: If plants are not satisfactory upon arrival, notify your Express Agent or Post Master immediately. Inasmuch as we have no control over the transportation agencies, we cannot be responsible for injured or delayed deliveries, etc. All claims for damages must be assumed and entered against the carrier by the buyer.

NO GUARANTEE: While we use every possible care to have all varieties properly labeled and true to name, we give no warranty expressed or implied, also we cannot guarantee a crop as growing depends entirely upon the grower.

CANCELLATION: Should you find it necessary to cancel your order before you receive your plants, the cancellation will be accepted if your instructions for cancelling your order reach our office before shipment has been made. However, if all or any part of your order has been shipped, we can honor the cancellation of the **UNSHIPPED PORTION** only.

SNAPDRAGONS

After Mums cuttings are over we have two houses that we devote to Snaps until Mum cuttings come on again toward spring.

If you grow Snaps we think we can make it an object for you to buy your plants ready to plant rather than trying to grow your own from seed.

If we have your order ahead and can plan on it we can give you prompt delivery and guarantee good stock.

We try and make the price so low that it will be more profitable for you to buy than try to raise them.

On all the standard kinds we make the price
\$3.00 per 100 \$25.00 per 1000

We may have some of the newer kinds which will be more.

If interested write us.
